

Where Green Living Begins

812.349.2020 gogreendistrict.com

3400 SOUTH WALNUT STREET • BLOOMINGTON, IN 47401

We are the leader offering a collaborative path to sustainability

The District serves south central Indiana as the leader in green business initiatives, education, and waste and recycling management.

Education

On average 250 presentations a year
Total: 10,430 individuals

- Teach environmentally responsible actions through a series of presentations in-class, on-site, and community fairs:

Public Schools: 5,800 individuals, 2 school districts

Private Schools: 520 individuals

Adults: 110 teachers, 4,000 other adults

Note: The above numbers do not include people reached through broadcast media campaigns which include radio announcements, the District's library of infomercials regularly airing on cable television, the District web site, and our new Facebook and Twitter sites.

Waste Reduction
